WHEN TO USE STRESS REDUCER

PLUS: Stress Reducer Plus is designed to reduce fish stress and heal damaged tissue. Stress Reducer Plus forms a beneficial slime coat replacing the natural secretion of slime that is lost when fish are handled, breeding or under stress. Also works to remove chlorine, chloramines, ammonia and heavy metals making tap water safe. Great for new ponds, during water changes or when handling or transporting fish.

DIRECTIONS FOR USE:

To protect fish and condition water, simply add 1 fl oz per 120 gallons of pond water.

TIPS FOR HEALTHY FISH:

- Provide plenty of aeration
- Use proper filtration
- Do not over feed
- Perform regular water changes

QUICK DOSE CHART (IN OUNCES)

Use 1 fl oz per 120 gallons of water.

Gallons in Pond =
(Length x Width) x (Avg. Depth) x 7.5

32 fl oz (946 mL)
